

NOTLEY GREEN
PRIMARY SCHOOL

Weekly Update

This week has seen a couple of our year groups go on really exciting trips: Year 5 to Layer Marney Towers and Year 3 to the Museum of Power. All staff said that the children were a credit to our school and we are all incredibly grateful for our parent volunteers who helped enable the trips to happen.

Today we will be heading over to the church to learn about Easter before our after school Easter fayre. We are looking forward to seeing the children enjoying the games, trail and food that is on offer. Thank you to our fabulous FONGs team for planning and running such a fun event for our community.

We hope you have a fantastic break!

Mrs Seward

General Messages

National Year of Reading

Over the Easter break, try and find opportunities to read little and often. If the weather is nice, you could find a space to read outside or you could pop to the local library where you can get a free library card to borrow some books. You could even research a topic that interests you... for example, you could find out why some people have Easter eggs at Easter.

Art Gallery - 24th April 2026

The children in all year groups have been working hard on creating beautiful works of art and would love to share these with you. Parents will be invited to join their children for our Art Gallery at The Church, Great Notley on Friday 24th April 2026. Details of time slots during the school day and other arrangements will follow in due course.

Sports News

Football

On Monday, Notley Green year 6s and our year 5 goalkeeper took on White Court School in our first home match of the season. With White Court scoring the first goal we soon came back with an equaliser making it 1 - 1 at half time. The match ended with White Court taking the win but our boys played some fantastic football and should be very proud of themselves.

5 Secure, predictable environments, sleep and fitness support executive functions

How well children can manage attention and plan and enact self-control at school is influenced by their environment, emotional state, sleep and physical fitness.

Safe, lasting and predictable relationships and routines help children feel secure and reduce emotional reactions that can disrupt executive functioning. When children experience stress, anxiety, or lack of sleep or physical fitness, they can find it harder to focus or remember instructions because attention and working memory are affected.

These everyday factors show that executive functioning is not fixed but closely tied to a child's environment and wellbeing, making support both in and out of school essential.

Trip Payment Dates

- Year 5 – Layer Marney – 23rd March
- Year 4 – Camping – 30th January (deposit)
- Year 5 – Mersea Residential – by the end of each month

FoNGS News

Thank you so much to everyone that joined us , baked for us, or volunteered for us today at the Hoppy Easter Trail, we hope you had a lot of fun.
