Dear Parents and Carers,

We are writing to provide you with more information regarding our recent update to our school PE uniform. From the next academic year, children will be asked to wear **emerald green shorts** instead of the current situation of black or green shorts for PE, and a **black tracksuit** instead of black or grey tracksuits.

We appreciate that this change may take some adjustment and we are aware that emerald green shorts are not widely available in supermarkets or on the high street. However, they can be sourced online at competitive prices via our school uniform shop or popular marketplaces. Until the 21<sup>st</sup> July 2026, our provider have a 15% off code to use at checkout - **FRESH26**. You may wish to join with a number of parents to also take advantage of free delivery over £25.

Our pre-loved uniform shop, kindly run by our FONGs, may have suitable items available at a reduced cost. We encourage families to make use of this option where possible.

We would like to reassure you that:

- Black tracksuits are more readily sourced.
- We do not expect logos on white PE tops – plain items are suitable.

The decision to introduce emerald green shorts has been made so that one item of the PE kit reflects our school colour, in the same way as our school jumpers and cardigans do. We hope this will help strengthen a shared sense of identity and pride across the school. This will bring us in line with other schools at sporting events and prevent the current situation where it is harder to identify Notley Green children as a group.

We have deliberately shared this update earlier in the year, as many children may be outgrowing their current uniforms. This gives families the opportunity to plan ahead and avoid unnecessary additional expense.

We are grateful for your continued support as we introduce this adjustment.

Kind regards,

Emma Saward                  Jenni Colebrook
