What an incredible Sports Day we had! We were so proud of all our children, who demonstrated excellent sportsmanship throughout the day. It was wonderful to see children encouraging each other, celebrating each other's successes and showing such determination in every event. Thank you to all the families who came along to support – it truly was a fantastic day for our school community. A huge thank you to the FONGS as well for their support before, during and after the event. A special thanks to our PE leads Mrs Miller and Miss Medland for their excellent organisation. Their hard work and dedication ensured that the day ran smoothly and was thoroughly enjoyed by all.

With some lovely warm weather forecast, we will be helping children to stay cool and safe whilst enjoying their time outdoors. Please remember to send your child to school with a named hat, a water bottle and sun cream applied before the school day begins.

Have a wonderful weekend.

Mrs Hume

National Year of Reading Book Review:

Book Review by Edie in 5CV

Room full of Chocolate (Dark Blue)

The book is about a girl who doesn't want to be with her grandad whilst her mum is in hospital. She makes new friends in the countryside and they plot an escape to go and visit her mum. It is an exciting mystery book so it is recommended for people who enjoy adventures and chocolate.

Menu Change on Week 2 Tuesdays

Just to advise that we will be serving a crispy chicken burger rather than a beef burger on Week 2 Tuesday, for the next 2 cycles before the summer break.

This is due to a supplier issue, and we are hoping to have sourced an alternate beef burger for when we return from the summer break.

Sorry for any inconvenience.

School attendance is vital for children's learning, wellbeing and wider development, and is a strong protective factor for all children and young people, especially the most vulnerable. It supports their long-term educational outcomes and helps safeguard them from harms such as exploitation and radicalisation. DFE
