

# Weekly Update

Transition mornings were a great success this week, with children enjoying the opportunity to meet their new teachers and explore their new classrooms. It was lovely to see so much excitement and confidence during these sessions.

We were also thrilled to receive our Year 4 Multiplication Tables Check (MTC) results. The children achieved fantastic results, and we are incredibly proud of the hard work and dedication they have shown. Their individual results will be shared with parents in their end-of-year reports.

Finally, a huge well done to our children and staff for coping so well during this week's hot weather. Keeping everyone safe has been our priority through regular water breaks, time in the shade and adapting our routines. Despite the heat, there has still been some fantastic learning taking place across the school. Thank you for your continued support in helping children come to school prepared for the warm weather.

#### **National Year of Reading Book Review:**

Book Review by Olivia in 4C

The First Encyclopedia of the Human Body (Grey)

This non-fiction book is about your body. You can learn lots of interesting facts and there are lots of different diagrams. It is recommended for people who enjoy science and would like to learn about how their body works.

#### **Church Car Park**

For our upcoming Performing Arts Day and future Sports Days could we please ask parents **not** to use the church car park. Tuesdays in particular are a very busy day for the church with Foodbank, Community Coffee Morning and Nursery etc, and on sports day they could not get parked.

Please find safe alternative parking a short walk away for the forthcoming Performing Arts Day.

#### **SEN Cuppa & Chat**

Our final Inclusion Coffee and Chat will take place on Tuesday 7th June at 9am.

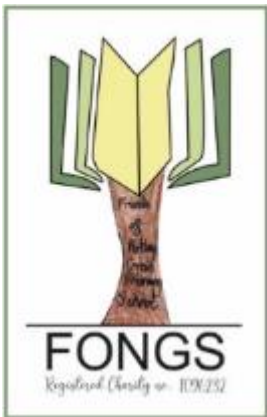

This will be an opportunity to discuss any transitional queries for moving to new classrooms, teachers or schools. If you would like to join us, please complete the Form attached.
