

# Weekly Update

This week has ended on a real high with some fantastic enrichment opportunities for our children. Yesterday, our Reception children enjoyed a wonderful visit to the Wilderness Foundation. They had an amazing day exploring and learning outdoors, with many of the children declaring it "the best day ever!"

Today, our choir represented the school brilliantly at a music festival hosted by Notley High School. They performed alongside local schools, enjoying the opportunity to sing collaboratively as well as share their own performance.

A huge thank you to the volunteers who gave up their time to support these trips.

Our Year 4 children have also had a fantastic camp experience. They embraced every opportunity with enthusiasm and had great fun! The campers listened exceptionally well, showed respect throughout, and were a credit to the school. We suspect there will be some very tired eyes tonight after such an exciting day.

Book Review by Quinn (5E)

The Enchanted Pony Academy (Dark Red)

The book is about a girl that is scared of riding a pony but over time she learns that the pony is really kind so she becomes more confident. It is a magical book for people who like fiction books about horses.
