14 November 2023

Dear Parents and Carers

As part of our Science topic for the second half of the Spring Term, we have organised a trip to The Museum of Power in Maldon on Thursday 21 March 2024, for the Year 3 children to take part in activities based on our Science topic "Forces and Magnets". This will provide children with practical skills to support their Science learning and experiences that will stay with the children as they grow up.

If you would like to find out more about the Museum of Power, please use the link below:

[School Visits to the Museum of Power](#)

The cost for the children to participate in this amazing opportunity will be £15.00 per child. Please note that while this is a voluntary contribution, if we do not receive enough payments to cover the cost of the visit, we will unfortunately have to cancel this trip.

Please make payment using your My Child at School (MCAS) account (you will find it on the trips section) by Wednesday 7 February 2024. If you are experiencing problems making a payment, please contact the school office.

Please follow the link to the consent form and make payment via My Child at School by Wednesday 7th of February 2024: <https://forms.office.com/e/qu6qWgKKrX>

Kind regards

Miss Jacobs, Mrs Van Wyk and Mrs Chisnall

The Year 3 Team
