

FoNGS Weekly Update - 15th December 2023

It's been another wonderfully festive week!

Monday saw our mammoth **Parent Shop** sponsored by Browicks Construction Ltd, which raised just over £740 for our school and remains one of our most favourite events!

Thank you to everyone who volunteered to help or donated gifts/gift wrap.

Over 270 (very polite and excited) children selected gifts for their loved ones, assisted by our army of volunteers who helped them choose gifts, wrap presents and write gift tags. In total over 550 gifts were wrapped in just over 3 hours!

There will be a mini Parent Shop for the children who were poorly on Monday 18th December.

Thank you again to everyone involved.

Please don't forget to **REGISTER** on PTA events & follow us on Facebook and Twitter to be kept up to date on events.

We hope the children have enjoyed their **Aladdin panto workshops** with West End in Schools, who joined us on Tuesday and Wednesday this week.

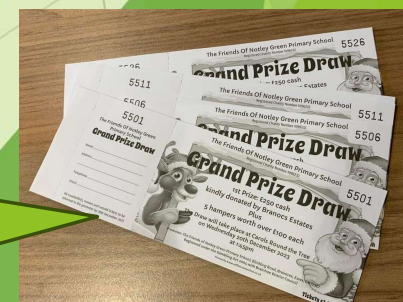

Special treats like this are only possible thanks to the support our events receive from our school community and the generosity of local business. Thank you again!

Ahead of drawing the Grand Prize Draw, we'll be serving tea, coffee and hot chocolate at Wednesday's carols, and adding to the festive spirit thanks to S Williams Electrical Ltd with mulled wine and Baileys hot chocolate.

Need more tickets?
Please find one of us or pop into the office.

There's just a few days left to return your **Grand Prize Draw** tickets and money to be in with a chance of winning the top cash prize of £250 courtesy of Branocs Estates or one of our fabulous hampers. Don't forget tickets must be returned by 1pm on Wednesday 20th December 2023.

We'll be at the outdoor classroom after school on Monday for anyone wishing to pay by debit card.
