

We had a great meeting last week with Mrs Saward and Mrs Colebrook to discuss plans for this term and agree how best to spend the money raised. Spending will focus on maths and music resources, as well as an exciting new project (very much at the planning stage at the moment but more details will be shared soon).

## Latest Purchase

We love spending money almost as much as we like raising money! As you may have spotted, thanks to Mr Dunmow our most recent purchase is now fully installed and already being enjoyed.

FoNGS covered a little over £4,000 of the cost, topped up by £1,000 from the Tesco grant so thank you to everyone who made this possible.
