November 2023

Dear Parents/Carers,

We are writing to make you aware of an update to the list of food related allergens to avoid being brought into school. This includes any snacks, lunch boxes, food donations etc.

Due to severe allergies within our school, we are asking that no products containing **SESAME** are brought into school. This could include foods like seeded breads, bread sticks with sesame as an ingredient, seeded crackers, hummus, products containing tahini as an ingredient and any foods where **SESAME** is highlighted as an ingredient. This is in addition to **NUTS** and **PEANUTS** which we currently use parents to avoid sending into school.

Sesame, nuts, and peanuts are recognised allergens outlined by food labelling regulations in the UK. These ingredients must be displayed in a clear/bold manner on all products for sale in the UK, which will make them easy to avoid as an ingredient. Please see below a list of the 14 major allergens highlighted in the UK and an example below of a label with wheat and soya clearly identified as allergens - Sesame, nuts and peanuts will be highlighted in the same way.

The list of food we ask not to be brought into school are:

- **NUTS** - this includes all tree nuts, for example, hazelnuts, walnuts, pecans, macadamia etc
- **PEANUTS**
- **SESAME**

If you have any questions or concerns please do not hesitate to contact the school office on [info@notleygreen.compasps.uk](mailto:info@notleygreen.compasps.uk) or our catering team on [catering@notleygreen.compasps.uk](mailto:catering@notleygreen.compasps.uk). We thank you for your continued support of keeping our pupils safe.

Kind Regards,  
Emma Saward

We'll confirm the amount of money raised shortly but are confident it will be in the region of £230 which is a great start to 2024.

Our next collection with Bag2School will be in April.

Please queue at the main school gate. Once inside the gate please report to the volunteer on the left-hand side holding a clipboard for your child's year group and show them your ticket confirmation from PTA Events. Children will then be ticked off the register before entering the building via the triangle to ensure all children are accounted for in the event of an evacuation.

Children with medical conditions, allergies or those not allowed face glitter should collect a red wristband, on which details of their condition/allergy should be written to ensure treatment or tuck shop purchases are appropriate. As always, this event will be nut free.

Children with Special Education Needs may also request a green wristband which will allow them access to a designated quiet SEN area.

### Drinks & Tuck Shop

Children should bring a labelled drinks bottle which will be refilled with water on request. Children should bring no more than £2-£3 for tuck shop purchases, coins only please.

#### TUCK SHOP PRICE LIST

### Face Glitter

Our lovely facepainting team will be on hand with face glitter at a cost of £1 each.

When purchasing your child's ticket, you give consent to allow glitter, however please note due to time constraints we cannot guarantee all children will be able to have glitter.

Foundation, years 1, & 2 children are asked to exit the school grounds as quickly as possible to allow the older years to queue for their disco.

### Someone else will be collecting my child, what is the procedure?

Please notify us on arrival and ensure your child is aware that someone else will be collecting them. Please also give both the child and the person collecting them a password.
