## You said...... We listened......

A big THANK YOU to all those who completed the parent questionnaire before half term. Your voice is really important to us.

After reading all the responses the following things are working well at Notley Green:

- The school community and family feel
  - \* Communication
    - \* All the staff
  - Our enrichment clubs
  - Parental involvement
    - Our Creative Arts
  - Learning and development
  - How well all staff know your children
- How approachable and friendly we are
  - Our FONGS
  - The technology we offer

As we progress throughout this academic year and beyond, we will be reviewing the following aspects of our school as result of your feedback:

- Seeking parental feedback about wraparound care provision and how we can use this time to support learning such as reading/home learning.
- Reviewing our Home Learning policy.
- Adapting our approach to competitive sport leagues, how we celebrate results and involve our community.

We will keep you informed of any developments.
