

## 3 Year strategic Equalities, Diversity and Inclusion plan

2022-2025

School name: Notley Green Primary School

Overarching trust aim:

To develop an inclusive trust culture, where our values; ambition, optimism and resilience underpin the organisation.

*The Compass Partnership of Schools is committed to ensuring everyone within our organisation feels included and thrives. We uphold and seek to promote the equalities act 2010, ensuring no-one is disadvantaged because of age, disability, gender reassignment, pregnancy/maternity, race, religion, sex or sexual orientation.*

*The 3 year equalities framework aims to consider how we break down the steps needed to meet our overarching aim. To achieve deep lasting change we take the approach of planning a process of engagement, exploration and finally embedding the actions being undertaken. In order to be responsive to the needs of the organisation we detail the smaller actions required to break down the overarching aim making adaptations and additions annually or more frequently if required.*

### Year 1 – Engage Trust Level Plan

Aim	Why	Trust level Focus	Lead individual/Time scales	Questions that indicate success
To develop a shared understanding of our trust values: ambition, optimism, and resilience	What we value influences how we conduct ourselves in every interaction we have. Our values dictate our behaviours as we work	Initial work with Talent architects and strategic leaders to develop a shared understanding of what inclusion is	MB Summer 2022	Do we all have an overarching agreement on how our shared values are conveyed in behaviour

Understanding what they are, what they look like and their importance

towards realising our trust vision. A shared understanding of the values that underpin an organisation is critical to developing culture.

Work with headteachers and the business team deeply exploring what trust values look and feel like

- *Do we have a shared understanding and agreement?*
- *How are these underpinned in development planning?*
- *How do we make them more explicit to all?*
- *How do we work to embody that?*

How do we work with all stakeholders to ensure they are the DNA of the organisation?

..Training for 4 key strategic team members who will drive work

Work with Members, Trustees and LSC Chairs to deeply explore what trust values look and feel like

Review of committees and agendas to ensure the values are the basis for all decision making

MB/ JC Autumn 2022

MB Spring 2023

JC/ KJS A  
Autumn 2022

Do our shared values underpin our decision making?

Are there times that we use our values to challenge our decision making?

What do our wider stakeholders understand of our values and how is this seen in committees and groups`/use our values?

Work with parents forum to deeply exploring what trust values look and feel like  
 Gather insight on how these look to parents  
 How we consult with parents to gather further insight?

Do our values define our schools?

Work with Compass council to develop an understanding of our trust values and their understanding from the children's perspective

How do we consult and work together?

JC/MB  
 Autumn 2022

To develop sophisticated evaluation of the data we hold to develop a strategy for the development of a more diverse work force

Using the data we hold more effectively will aid the identification of key areas where further exploration is needed

An evaluation of the use of Staff data

- What data do we currently hold?
- How do we use it most effectively to gain an improved workforce picture?
- How is data shared with schools to support work force planning

HC Autumn 2022

Are we able to empirically identify the areas where we need to focus on work force development?

Do we have an awareness of how we compare to other trusts schools?

Do we really know what it is like to be an minority group employee in our trust?

Review school tours in the light of candidate feedback to:  
Ensure candidates can talk to people from different teams or functions  
Understand the ethos of the school  
Can see how careers can grow and develop  
Review the use of the school website and social media for advertising job vacancies to ensure this is as effective as possible

ES/JC- Autumn-Summer

Can candidates see how they could thrive at Notley Green?  
Do our recruitment processes reflect the diversity and talent within our workforce?  
Does the values-driven culture at Notley Green and key aspects of the ethos of the school impact on candidates positively?  
By advertising effectively using routes that are current and do not target geographically, are we attracting a larger and more diverse field?

**Widen enrichment and cultural opportunities so that they are diverse, inline with our broad curriculum.**

Children have access to a wider variety of enrichment activities that promote global culture and diversity.

Staff model respect and tolerance that is reflected in children's attitudes, beliefs and opinions.
