18 September 2024

Dear Parents/Carers

On Monday 30th September, our Year 5 children will participate in an informative and interactive presentation centred around pedestrian safety. Children will learn vital information regarding road safety and pedestrian awareness, enhancing their understanding of how to navigate their surroundings safely.

Following the presentation, the children will engage in a practical activity with their class teacher and a member of the Road Safety Team. This training will take place in and around our local roads in small groups.

If you have queries about this event, please contact the class teacher.

Yours sincerely,

The Year 5 Team
