

## Introducing our NEW Christmas Cards and Gifts for 2024

We have a brand new company called IQ Cards for 2024.

The major benefit is parents can now **order online**.

There are a great variety of Stationery Products and Gifts for Parents to choose this year including Cards, Value pack, Sticky Gift Labels, Thank you Postcards, Gift Wrap, Magnets, Keyrings, A5 Spiral Notebook and Chocolate bars.

### We have a NEW PROCESS

1. The children complete their artwork on the design sheets (the reverse of the order form).
2. These are then returned to the Outside Classroom (box provided).
3. The designs are sent back to the company and Parents will be **issued with a unique number** shortly after for each child on an A5 sheet where you can check the information, order products online and pay direct to IQ.

### 2024 Timeline

Designs sheets being sent out shortly, try to keep them as flat as possible.

- Friday 11<sup>th</sup> October - Return Design sheets to Outdoor classroom Box or Class reps (listed on FONGs Facebook page) – MAKE SURE THIS HAS YOUR CHILDS NAME & CLASS
- End of October – A5 Order form with picture of the image and unique number per child design issued and handed out to Parents
- 15<sup>th</sup> November 23.59pm deadline to check, order and pay online using your unique number. There is a minimum order value of £5 per design – **no late orders accepted**.
- By 29<sup>th</sup> November Items available to collect from Outdoor Classroom

**If you need another design sheet please ask, do not photocopy, they have unique numbers.**

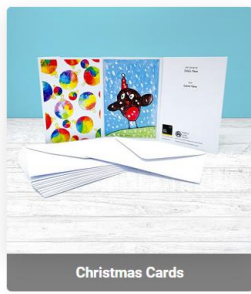

If you do not receive back your design please speak to a class rep.

The artwork must be completed according to the guidelines stated on the order form. Tips on how to complete are on the sheet.

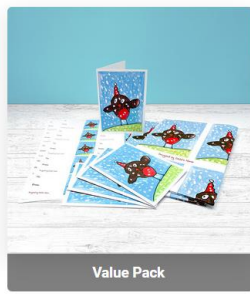

- Remember large, bright and simple designs work best
- Don't stick anything on to the sheet. Fill the page to minimize the 'white' space on the design use a background colour.
- Tick the box if landscape or portrait so they know which way up the design should be.

Have fun creating wonderful memories.

Team FONGs xx
