

NOTLEY GREEN  
PRIMARY SCHOOL

# Weekly Update

We are so pleased to welcome all our children and families back for the start of the new academic year. The classrooms are already buzzing with excitement, and it has been wonderful to see the children settling back into routines, catching up with friends and approaching their learning with enthusiasm. A special welcome to our new families joining our Notley family. We are delighted to have you with us and look forward to getting to know you in the weeks ahead.

As we begin the term, it's also a good time to re-establish home learning routines. Regular reading, practicing spellings and number facts (number bonds and times tables) all make a real difference to children's confidence and progress. Thank you for your support in helping the children get back into these habits.

We are looking forward to a fantastic term.

### Upcoming School Events

Further Information coming in soon.

### Attendance

# 98.5%

At KS2, pupils who attended school nearly every day in Year 6 (with an attendance rate of 95-100%) were 1.3 times more likely to achieve the expected standard in reading, writing and maths compared to pupils who only attended 90-95% of the time. This means missing just 10 days of year 6 reduced the likelihood of reaching the expected standard by around 25%. Pupils who attended nearly every day were 1.8 times more likely to achieve the standard than persistently absent pupils who only attend 85-90% of the time (relating to 4 -6 weeks more time in school).
