

NOTLEY GREEN
PRIMARY SCHOOL

Weekly Update

Today, the children have attended a Harvest Festival service at the church to highlight how grateful we are for the food we eat.

In line with this we have launched our appeal for donations for the local Food Bank and would like to say a big thank you for all the donations that we have already received, every item is much appreciated. Please continue to bring in what you can.

I would also like to thank our wonderful staff for their generous donations of cakes and money towards a Macmillan Coffee morning. Community spirit is alive and well at Notley Green!

Have a great weekend!

Mrs Seward

This week in photos! The children enjoyed a harvest festival service at the Church today.

Lunches Next Week

Unfortunately due to a technical issue with our oven there will be no jacket potatoes next Wednesday, Thursday or Friday.

STEM Volunteer

We are looking for parents who work in Science, Technology, Engineering, or Math (STEM) fields to come in and share their career experiences with our students on Wednesday 3rd December. This is a wonderful opportunity to inspire young minds, show real-world applications of what they're learning, and spark interest in exciting future careers. Whether you're an engineer, scientist, programmer, data analyst—or anything in between—we'd love for you to join us for a short classroom visit or presentation.

Please email the school at notleygreen@compassps.uk if you can help.

SEND Cuppa & Chat

Please see attached flyer for further details, the next date to meet up is Monday 20th October at 2pm.

Home Learning

Please ensure that your child is completing their home learning each week. Teachers in Year 4 – 6 will be setting firm expectations around this to ensure basic skills are embedded and that children are prepared for secondary school.

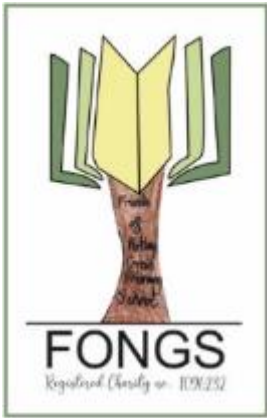

Online Safety Sessions

On **Monday the 29th September at 8-9:30pm** there will be a free Online Safety training session for all parents at Notley Green Primary School.

We would encourage everybody to attend to learn how to keep our children safe from **online dangers**.
