

Everyday Materials

Year 1

We are learning:

- To distinguish between an object and the material from which it is made.
- To identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock.
- To describe the simple physical properties of a variety of everyday materials.
- To compare and group together a variety of everyday materials on the basis of their simple physical properties.

We are learning to:

- Ask simple questions and recognise that they can be answered in different ways.
- Observe closely and use simple equipment.
- Perform simple tests.
- Identify and classify.
- Use our observations and ideas to suggest answers to questions.
- Gather and record data to help answer a question.
